

MESEA Conference 2010: “Travel, Trade and Ethnic Transformations” University of Pécs, June 16-20, 2010

LIST OF HOTELS IN PÉCS with rooms reserved for MESEA conference participants

Conference participants are asked to make their own hotel reservations by contacting the hotels directly.

Because Pécs is European Capital of Culture in 2010, it is very important to make **reservations AS EARLY AS POSSIBLE** and certainly no later than the dates indicated in brackets under the name of the hotel. All hotels listed in the first section of the table will hold a number of rooms for MESEA participants until the date specified, on a “first come, first served” basis. **Please mention MESEA when booking.**

The city expects to host an unusually high number of visitors this summer and the conference will take place during the tourist season. Therefore, some of the reservation dates are extremely early. If you book late, you may not be able to find hotel accommodation in Pécs and you might be forced to look for rooms in small cities nearby (Harkány, Siklós).

All prices below are in euros, including VAT but excluding tourist tax (€ 1.40 per night and person). The rates are subject to change because of exchange rate fluctuations.

Buses to all hotels leave from the Main Railway Station.

The venue for most of the conference events is the Main Building of the Faculty of Humanities, University of Pécs.
